

AFFILIATE SIGN UP

Definition: a marketing arrangement by which an online retailer pays commission to an external person, business or website for sales generated from its referrals.

Many businesses operate affiliate opportunities for others to be paid a commission for sales generated when they refer someone to their website which leads to a sale. It is in fact common practice and a standard way for businesses to market their products and services.

We are no different and you can now earn by promoting School-Kit resources.

**Earn a 25% commission
on all referred sales**
